POPLIFE

Hallo Freunde!
Unser neues EDV-System wollte zwar nicht so wie wir, aber letztendlich waren wir dann doch hinterlistiger und haben es geschafft den neuen Gesamtkatalog fertigzustellen!
Der ist dafür stattlich ausgefallen und bietet neben vielen Neueingängen unser komplettes Porgramm an Live-CD's und massig Sonderangebote! Die befinden sich hauptsächlich im letzten Teil des Kataloges (gewissermaßen die "Manta-Sektion" mit tiefer gelegten Preisen), sind aber zum Teil auch im Hauptteil "versteckt"!! Suchen lohnt sich garantiert.
Die Sonderliste "Privatsammlung" ist demnächst fertig, mehr dazu in diesem Katalog.
Ab ca. Mai wird der Katalog öfter erscheinen und durch ein wesentlich breiteres Angebot an Neuheiten aktueller sein. Zu diesem Zeitpunkt werden wir auch in der Lage sein, aus einem Angebot von über 200.000 verschiedenen Tonträgern zu liefern. Die absolute Hölle!! Mehr dazu im nächsten Katalog. Jetzt erst einmal viel Spaß beim Stöbern und alles Gute!!

Private Collection For Sale!

Traurig aber wahr! Ein Teil der Sammlung muß dran glauben! Aus Platzgründen wird in Kürze ein Teil meiner Privatsammlung per Auktion zum Verkauf bereit stehen. Eine entsprechende Liste wird ausschließlich gegen Einsendung von DM 3,- in Briefmarken erhältlich sein. Die Liste wird nicht automatisch verschickt!! Dabei sind in erster Linie Sachen aus dem Wave/Pop Bereich, aber auch einige Metal und 60er/70er Raritäten. Auf dieser Seite findet Ihre eine Übersicht (unvollständig) der Gruppen. Dabei sind zum Teil absolute Megararitäten wie unveröffentlichte Atzetate von Cure, die U2 Lorelei Promo LP eine Metall 10" von Depeche Mode. Viele alte Maxis, Original LP's, Japan-Pressungen etc. Dazu kommt noch allerhand Promo-Material auf Papier und Bild, sowie einige CD`s. Es lohnt sich garantiert!!!! Die Auktion dauert bis Ende Mai, danach ist die Kohle erst fällig. Für größere Summen gibt es Teilzahlungsmöglichkeiten etc. etc. Nicht versteigerte Platten gehen nach Auktionsschluß zum Festpreis weg, allerdings nur für Leute die die Liste angefordert haben. Sorry für die Umstände, aber das ganze hat mit Poplife nichts zu tun und wird in meiner ohnehin nicht vorhandenen Freizeit abgearbeitet. Bitte erst anrufen/nachfragen wenn Ihr die Liste habt!!! Diejenigen die bereits Porto geschickt haben bekommen die Liste natürlich sofort nach Fertigstellung. Eventuell folgt im Herbst Teil 2, mit weiteren sagenhaften Sachen!! Alle Artikel werden sehr ausführlich beschrieben und sind mit Mindestgeboten versehen. Gebotsplatten sind natürlich nicht zwangsläufig teuer! Die 3,- Porto werden verrechnet!

Sad but true! I have to sell parts of my collection! A list of all items will be available in a few weeks and will not be sent automatically to the customers of POPLIFE. You have to send 3IRC's or 3 US$ to receive the complete list. The items will be auctioned and the deadline is end of may. All items which will be for sale for set sale prices, but only for people who ordered the list! Sorry for this fussiness, but this has nothing to do with POPLIFE and I do all this in my spare time!! The items are mainly wave/pop orientated, but there are also some very good metal and 60's/70's items. There are some very very rare things like unreleased Cure acetates, a metal 10" by Depeche Mode, the U2 Lorelei promo album from 1983, early boots etc. You won't be dissapointed!! Many early wave/pop 12" singles, long deleted rarities, rare promo stuff (alson non-vinyl/CD items) and some rare CD`s! Don't phone and ask for single items, wait for the list! All of you who have already paid the postage will receive the list as soon as it is ready!! All items will be described in details and minimum bids are stated! Don't hesitate it's worth the postage!!!!!
